

CERTIFICATION EUROPE™

This is to certify that the
Information Security Management System

Of

Antidot

At

58 Avenue Debourg, 69007 Lyon, France

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2013

This certificate is valid for the activities specified below:

The information security management system of Antidot encompassing the design, development, sales and maintenance for its Fluid Topics content delivery and services platforms - a software solution for companies needing to publish their content.

Certification to the standard is made under the Statement of Applicability (version 1.2.1) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
